PROFILE SUMMARY

Hi, I'm Gulshan Singh || Proficient in various web technologies and frameworks, I'm keen on contributing to innovative projects and advancing my career.

Committed to creating responsive, user-friendly websites and applications, I prioritize continuous learning and staying updated with the latest trends in web development.

EDUCATION HISTORY

Graduation

Course B.Tech / B.E(Computer Science)
College Echelon Institute of Technology,
Faridabad
Year of Passing 2024

WORK EXPERIENCE

Jun 2023 to Dec 2023

Web Developer Intern at Dreamer Infotech

Over the span of six months, I was enthusiastic about participating in cutting-edge projects and advancing my career as a web development intern, immersing myself in various facets of web development.

PROJECTS

My personal portfolio, 1 Months

Designed and developed a fully responsive personal website with a focus on effectively showcasing my projects.

Techelon University, 3 Months

I have created a visually appealing and responsive webpage for a university, employing HTML, CSS, and JavaScript.

Fitness Website, 3 Months

Conceptualized and launched a user-centric, fully responsive Fitness website with multiple Webpages.
